Mr. Merritt,

Thanks for the email. As written, I must object to the motion to continue until January 2026. I would be willing to agree to a continuance for 90 days and if an additional continuance is required, we can discuss that at a later date. Second, although Mr. Stein has moved to withdraw, he remains attorney of record and there has neither been a substitution filed nor has the court granted the motion. Last, the motion states “ the prosecution has failed to disclose any evidence whatsoever, significantly impairing Mr. Weinstein’s ability to file motions in this case.” I have not received a written request for discovery as required by Rule 16 to trigger the defense’s reciprocal discovery obligations. The motion suggests that you have requested discovery, and we have neglected to provide it. It is not accurate. Thanks.

Best,

Gents:

Hope all is well. Both of you are currently attorneys of record on the above case. I have on my calendar that motions are due on 5/14 with a trial date on 6/3. Is it your intent to file a MTC both of these dates? Please let me know. Thanks.
